

Before You Agree

Notice the invitation. Understand the commitment.

01 | NOTICE THE PROGRESSION

Contact → conversation → connection → belonging → commitment → ritual/practice → identity/allegiance. This is a thinking aid, not a claim that every relationship follows every stage.

02 | ASK BEFORE THE NEXT STEP

What is being offered? What is expected next? What am I actually agreeing to? What is the record? What does Scripture say? What does conviction require? How can I respond without fear?

03 | DISTINGUISH INVOLVEMENT

Exposure: I encountered it. Participation: I took part. Endorsement: I represented or supported it. Allegiance: I bound continuing loyalty or identity to it.

04 | RESPOND TO THE FACTS

Read Scripture in context. Ask questions, listen, and set a boundary where needed. A handshake alone does not establish membership, an oath or spiritual transfer. Do not infer hidden motives.
